

Mdx parser הגדרת

NOTE לפי

Solution to this problem mentioned in this SAP Note: **1032461**

Download the librfc32 from Kernel download location (Select Non Unicode Kernel to get librfc32, otherwise you might get librfc32u).

place it in D:\usr\sap\<SID>\DVEBMGS00\exe and D:\usr\sap\<SID>\SYS\exe\uc\NTAMD64 (Windows) /sapmnt/<SID>/exe (Unix)

```
mdxsrv -amdparser -g moh-ecc-dev -x sapgw00 -t
```
